

CLAIRIN

The Spirit Of Haiti

CLAIRIN CASIMIR

Clairin – 49,5% alc./vol. 70cl

Product description

In the tranquility of the village of Barradères on the northern coast of the south fork, Faubert Casimir has continued the work of his father Duncan since 1979. Considered to be the best distiller in the region, Faubert grows 50 hectares of Hawaii White and Hawaii Red sugar cane, varieties related to Otaohiti cane originally from South East Asia.

The cane is grown organically without the use of pesticides, fertilizers or chemicals. It is harvested only once completely mature and brought to the distillery to be pressed and fermented with the natural yeast of the area.

His Clairin alternates wonderfully between classicism and unbridled exuberance; the experience of tasting takes us two centuries into the past to breathe the air of another era.

Tasting Notes

Profile: Intense and wild.

Nose: Fruity and mineral. Exotic fruit basket, forest and savory spice notes.

Palate: Exotic ripe fruits, leather, smoke, meat.

Finish: Complex and earthy. Almond, truffle, vegetal notes.
