

VIEUX SAJOUS

Pure Single Agricole Haitian Rum – 50.6%, 700ml

Product description

Produced at the Chelo distillery, which is owned by Michel Sajous, this Clairin-style rum was aged in Haiti for 4 years. It is a blend of 12 casks which previously contained Benriach whisky for some and Caroni rum for others. The Crystalline sugar cane, a non-hybrid organic variety native to Haiti, also comes from Saint Michel de l'Attalaye. A magnificent walkway between the world of Clairin and the world of rum. This old Sajous shows extraordinary delicacy both in terms of flavors and aromas.
